PROFESSIONAL EXPERIENCE

Learning Center Activity Leader – School's Out Program

October 2021 – April 2022

YMCA of Central MA, Worcester, MA

- Lead educational and play-based activities for 8-13 children at a time
- Help children with homework and feed them snack after school
- Supervise children to ensure they are always safe

Lead Instructor – Summer Immersion Program

June 2021 – August 2021

Girls Who Code Inc., Remote

- Built a positive, dynamic virtual classroom culture among 30 students in collaboration with my two teaching assistants.
- Taught HTML, CSS, & JavaScript while emphasizing the GWC core values of bravery, sisterhood, and activism.

Site Coordinator – Mentorship, Leadership, Experiencing (MLE)

July 2021 – August 2021

Recreation Worcester for the City of Worcester, Worcester, MA

- Taught beginning Computer Science concepts, goal setting, planning, and leadership to 15 students ages 13-17.
- Led programming 2 afternoons each week following a hybrid model of Zoom & in-person instruction.

Volunteer Club Facilitator – Coding Club

January 2021 – February 2021

Recreation Worcester for the City of Worcester, Remote

- Taught beginning Computer Science concepts to 8 students ages 7-11 three afternoons each week.
- Prepared a female and BIPOC-centric curriculum drawing on Girls Who Code Inc. resources and my own research.

Teaching Assistant – Introduction to Computer Programming and Animation

January 2021 – February 2021

Clark University, Remote

- Led breakout group lessons on Scratch and supported students working on MIT App Inventor projects.
- Reviewed student work and provided feedback.

Teaching Assistant – Summer Immersion Program

June 2020 – August 2020

Girls Who Code Inc., Remote

- Taught 6 sessions of 25-30 high school students in a Teaching Team of 3-4 using Zoom, Google Suite, and GWC proprietary curriculum platform GWC HQ.
- Delivered GWC's curriculum on JS, CSS, and HTML, hosted office hours, and gave feedback on projects.

Teacher's Assistant

October 2018 - May 2019

Woodland Academy, Worcester Public Schools, Worcester, MA

- Instructed groups of ~12 fourth grade students, following supervising teacher's lesson plan for 6 hours each week to provide a more focused approach in the classroom
