Experience

Goddard Library, Work Study (Clark University)

September 2017- Present

- ❖ Check out books to students and return all books in respective places around the library
- ❖ Find misplaced books around the library, discharge them and return them to their respective spaces
- ❖ Take charge of the reserve section where I check out reserve book to students
- ❖ Providing customer service to 10-15 patrons a day by answering questions and scanning documents when needed

Breakthrough Greater Boston, Cambridge MA (Student, Teacher)

July 2011 - April 2021

- ❖ Taught 8th grade Math to 16 students enrolled in Cambridge schools.
- ❖ Taught 8th grade English to 16 students in a virtual setting
- ❖ Created and taught personalized after school curriculum to 7th and 8th grade
- ❖ Attended six week academic summer program as a middle school student to increase knowledge in Math, Literature, Science, History, and English
- ❖ Participated in study hall for 2 hours a week to receive support with homework, time management, and course selection
- ❖ Fundraised at Breakthrough events of up to 430 guests, leading to donations totaling \$5000

Let's Get Ready, Site Director (Worcester, MA)

January 2018- March 2020

- ❖ Managed 6 volunteer coaches and give constructive feedback about their teaching
- ❖ Made sure the program is running smoothly on program days
- ❖ Communicated via email and phone with 30 students and their parents about information for the program
- ❖ Allocated budget of \$1,530 to provide snacks, program materials, and transportation for coaches

Clark Speech Rights Committee, Member (Worcester, MA)

January 2018-May 2018

- ❖ Nominated by the President of Student Council to be part of the 10-person Speech Rights Committee
- ❖ Researched other Universities' speech rights policies in order to build a cohesive forum for Clark campus including students and faculty members
- ❖ Advocated for my peers experiences regarding speech rights oppression

Spaulding Rehabilitation Hospital (Volunteer)

September 2013-Present

- ❖ Supported Child Life Specialist on the pediatric floor by holding 3-4 infants per shift, playing with 3-4 patients, and accompanying patients to therapy

- ❖ Organized supply closets which resulted in award recognition for the floor
