SUMMARY

I am social and proactive recent graduate of Clark University who is experienced in planning events/workshops, leading educative activities with youth, and working on collaborative projects. The majority of the following experiences are within the field of education or youth work, however, I am able to quickly adapt to new environments and pick up new skill sets.

SKILLS

- Speak/write/read elementary level Spanish and Mandarin Chinese
- Trained in intergroup dialogue facilitation (specifically Diversity, Equity, and Inclusion)
- Develop and execute qualitative research
- Experienced in social media platforms (Instagram, Facebook, Snapchat, etc)
- Experienced in basic coding

EXPERIENCE

Undergraduate Admissions Ambassador

Clark University | Worcester, MA | September 2020 - May 2022

- Represents the University via campus tours, conducting interviews, and participating in events for prospective students
- Responsible in office for answering phones and emails and working on communications projects with high schools

Assistant Camp Counselor

Summers At LREI | New York, NY | June 2016 - August 2019

- Was responsible for the care, entertainment, and safety of children from the ages of 5-7
- Organized activities, led my group, and helped kids with daily needs from 8:30am-4pm

Psychology Research Assistant

University | Worcester, MA | January 2020 - May 2020

- Coded and transcribed video interviews for a graduate student
